MILESTONE

... DEDICATED TO ...

A graduate of Governor Dummer Academy in 1935, Morris Pratt Frost has continued to be a true friend of the Academy by manifesting a genuine interest in its growth and development. While serving as a member of the Board of Trustees since 1950, Mr. Frost has helped to provide this school with many facilities to enhance the academic and athletic achievements of the individual students, and thus the goals of the school. The present stature of Governor Dummer Academy is, in large measure, a result of the progress which the school has made under the inspired assistance of Morris Pratt Frost. To him, we respectfully dedicate this *Milestone*.

## IN MEMORIAM

---

Allen Davidson, Trustee of the Academy since 1955, passed away suddenly on October 12, 1961. A Phi Beta Kappa graduate of Amherst College in 1922, he roomed with the Headmaster-Emeritus, Edward W. Eames. He was president of his class for each of his four years there and was an active player on the varsity hockey, baseball, and football teams, being captain of the latter.

After graduating from the Harvard Law School in 1925, he joined the Thomas Long Company, a Boston jewelry firm where he was to become treasurer, running the business with his brother, Forrest. He served three terms as president of the Boston Retail Trade Board and was active in the Boston Y.M.C.A. As director of both the Newton-Wellesly Hospital and the Charlestown Savings Bank, Mister Davidson was a prominent Bostonian. The Academy loses a friend, a devoted trustee and a man whose contributions to the Academy have been great and whose dedication unestimable.

# SENIORS ASSUME NEW RESPONSIBILITIES

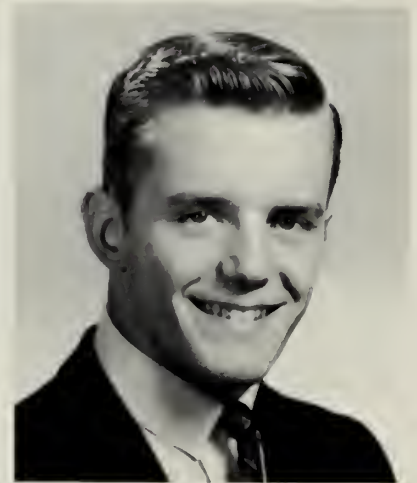

## SENIOR EXECUTIVE COMMITTEE

Anthony D. Whittemore  
President

Denis E. Golden  
Vice-President

T. Burke Leahey  
Vice-President

Under the able leadership of Andi Whittemore, Burke Leahey, and Deny Golden, the senior class inaugurated a new system of student government. The ultimate goal of any such government is to obtain a compatible relationship between that government and the remainder of the student body. The way in which this relationship is established determines the effectiveness of the system.

In the new form of government, each senior is given a responsibility to be fulfilled by taking an active part on certain committees. Here the senior is given the opportunity of earning a new respect by setting an example for the remainder of the student body to follow. The senior is placed on one of the committees and is expected to accept

Andi, Deny, and Burke meet with the advisor, Mr. Navins, regularly to discuss current matters.

the responsibility required by them. These committees, the store, reception, movie, library, study hall, tour, chapel and dorm proctor committees are all headed by chairmen who meet and discuss problems with the class officers. The class officers constitute the Senior Executive Committee which not only acts as a sounding board, but also forms a liason between the administration and the student body.

In order to create the desired relationship, the administration as well as the student body must have complete confidence and faith in the Senior Executive Committee. This trust is established through class unity and co-operation, especially with regard to the seniors and their added responsibilities. Because the responsibilities are placed equally on each senior, factions are eliminated and a definite class unity is attained. A strong desire to make the new system function properly and to augment the school's prominence, resulted in the necessary co-operation.

Due to the enthusiasm and the co-operation of all concerned, a harmonious relationship between the student body and the administration has been brought about through the new student government, and a milestone has been firmly implanted in the heritage of Governor Dummer Academy.

In any large group, such as a senior class, there are naturally going to be various personalities and interests. This year's senior class was no exception; there were the scholars, the athletes, and the all-around boys, but all were joined together to form a group in which each member contributed his share toward the ultimate success of the new Student Government.

Bob Culver, realizing what academic difficulties were, showed a keen understanding in the problems of his classmates, while at the same time he himself became a ranking scholar. Keeping Culvie company on the honor roll, Ray Bird combined academic requirements with athletics by running to classes to keep in shape for spring track. Pete Flaherty, a strong captain of both football and basketball, also showed great ability in providing his parents with extremely large phone bills.

Chris and Peb enjoy a cigarette during the athletic off-season.

The colorful cross-country team was led over the greens and fairways of the Ould Newbury Golf Course by Pete "Limey" Entwistle and John Dorr, two important vertebrae in the team's mythical senior backbone. Pete Buck and John Davagian, two ferocious, overwhelmingly huge linebackers on the football team, consistently flattened opposing ball carriers. Rumor has it that Howard Duffee threw a figure-four on the Harvard admissions officer and managed to squeeze out an *A* rating. Steve Blair, a man of many talents, was not too successful in stopping pucks when he appeared on the hockey rink with his trumpet instead of his stick. He was successful, however, in drawing large crowds into the Cobb Room for his pre-lunch jam sessions. Walking about the campus, John Acerra greeted all who passed by him with a friendly "Hi" and an ear-to-ear grin.

The school's publications could not have functioned efficiently without the efforts of those like Glenn Coffman, the man with the camera, who provided the school with a pictorial record of the year. Is it possible that Peter Bjork had enough of his own material to type out to cause all that clattering which constantly echoed throughout Phillips II? Jack Fenn, Governor Dummer's answer to Robin Hood, ran the Archery Club and admirably upheld the Robin Hood tradition of chivalry at numerous dances throughout the year. Ham Agnew provided a much needed break for the Ingham night owls by inviting them into his room for an early morning breakfast. Frank Bond, president of the Spanish Club, seriously considered moving into the Spanish classroom since his room on Pierce II began to overflow with hot-rod magazines. Jim Everett, having received an early acceptance from Dartmouth, calmly sat back and

watched his classmates nervously chew their fingernails as they waited for their college replies. Entering Mac Donaldson's room in Ingham, one was confronted with a frightening array of signs collected from ever imaginable source, advising the intruder not to sit on the floor and assuring him that "the management is not responsible for any lost articles." Steve Barkin, not really sweating his marks, provided much controversy among the Williams first-choice applicants when they heard him announce that he was not sure whether their favorite college as his eleventh or twelfth choice. Bob James, after returning from struggling with the *Milestone's* financial records, nearly threw a tantrum when he discovered that someone had jarred the needle of his hi-fi set and had scratched one of his many records. Stan Healy, a great contributor to both the soccer and lacrosse teams, was last seen wielding his lacrosse stick

while chasing a group of boisterous movie-goers around Lang Gym. Cy Hoover's conscientiousness was apparent in everything he did from his academic achievements to the much improved *Governor*, which gave not only to the students but also to the parents an accurate account of school happenings. Pete Machinist has contributed much to the school through his intellectual curiosity and his willingness to work in his studies and many other activities. Tim McNally, the happy-go-lucky element of the Senior class, found a new thrill in riding a bicycle with no brakes, until he wore out two pairs of shoes trying to stop it. Ed Kleven always said just what was on his mind, and in all his endeavors from selling stationery to soliciting advertisements, he exhibited a businessman's determination, which was at times a seemingly humorous trait.

After classes, the Senior day boys gather for an informal discussion.

Though usually quiet and conservative, Dave Lorensen was often inspired to burst forth with his own rendition of a popular tune. Bill Huston had to resort to putting golf balls into a glass during the winter months because he could not figure out a way to clear the snow off the golf course. Ken Pouch and Steve Kasnet were always known to work together, especially last fall when Ken's centers to Kas helped the Soccer team on its way to the league co-championship. Darrell Hamric's constant desire to better his previous achievements was apparent to all by his performance on the football field and in the classroom. Upholding the day boy tradition were Billy McPhee and Pete Kelly as they appeared on the campus one day last November in various gawdy garments. Paul Johnson earned his classmates respect by his ability to stand up for his beliefs even when the consensus opposed him. Rick Knight, Co-captain of the Soccer and Golf teams, and a proctor in Moody House, showed an admirable ability to help the underclassmen adapt themselves to Governor Dummer life.

Bob Michel often found himself entertaining half the Ingham I corridor during late hour "discussions." Jim Moore has made himself heard both with his hi-fi set and with his contributions to the school's discussion groups. Rick Tongberg's practice in maintaining a clean Butt Club kept him in top form for playing goalie for "Buster's Booters," which he did very successfully. Charlie Pyne and Gar Randall, who found little challenge in the College Boards, may very well be our country's secret weapons with their mathematical computations. Although Bob Snyder is a very hard-working and conscientious student and committee member, he always looks forward to the Sunday ski trips. By constantly skating around the

rink during hockey practice. Nick Strater has become a very good skater. He has also become a proficient fence climber from chasing the over-shot pucks. Slater Smith tried to devise a way to strap Pebble Rock's golf bag on a crutch so that in case something else happens Pebble wouldn't be sidelined by a little plaster. Warren Vaughan has plenty of opportunity for a career in athletics, orchestra, or journalism. However, his mind changed quickly after each athletic season, orchestra rehearsal, and *Governor* issue. Bob Orcutt managed to keep the day boys informed about school happenings. At one point, he almost turned the day boy room into a press room. Tony Pearson, a converted liney, has successfully quizzed the last four English exchange students about England, from pipes to polo. Jebb Selden, aside from being a strong soccer player and co-captain of the tennis team, pushed for an early construction of a new chapel

so that there wouldn't be so many details for his chapel committee to worry about. Peter Butler spent five hours on the floor looking for his contact lenses amid a variety of radio equipment and slide rules. Chris Ferris spent most of his study hall time sleeping behind an open book in order to rest up for hockey practice. John Fay, disputed wrestling champion of Pierce I, claimed that his studies did not allow him enough time to practice. Ben Jameson, a strong right tackle on the football team, kept in shape by running back and forth between Ambrose and Governor Dummer. After three years of searching, Jim Gordon finally found the shot which he put into the woods his freshman year. Warren Steele was one of the soccer team's secret weapons. Opponents could not believe that someone his size could cause so much trouble. It is really not fair to the underclassmen to have John

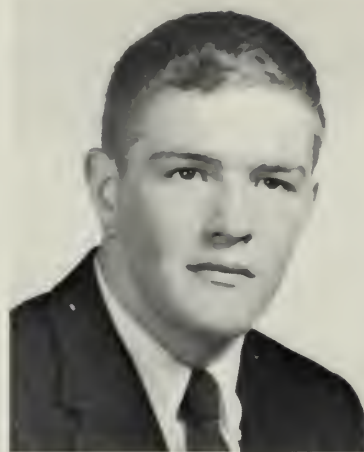

Ray, "Culvie," and John work out a tough one.

It seems as though Mark Johnson must have many pairs of socks by now. His mother hasn't dropped a stitch while watching three years of wrestling matches, in which Mark has excelled. It is reported that Bob McLaughlin, after spending many sleepless hours worrying about his boys, finally bought the Boston Bruins and is now trying to get them transferred to the American Hockey League. Ted Moore compiled an honorable set of marks this year, and he was last seen wearing that fierce Princeton growl. Tom Tobey, associate editor of the *Governor* and captain of the lacrosse team, has made great contributions to the school through both his hard work and determination. Jim O'Dea, a member of the varsity football squad, never played in a varsity game, but he was a prime example of of the spirit of the Senior class, as he contributed all he could to the team every day. Colin Studds, co-captain and M.V.P. of the Varsity Football Team, served as chairman of the Study Hall Proctors under the new student government system.

Rations?

Andi Whittemore, Burke Leahey and Deny Golden deserve much credit for the success of this class. With a constant desire to know all that was happening around school, the Committee kept in close contact with everyone involved in the Academy. They have heard complaints of both their fellow students and also of their faculty supervisors. It is a difficult job to please everybody, but Andi, Burke and Deny have worked efficiently to preserve the unity of the school.

This is the big one.

## JUNIORS

Ellis gets set to fire.

It's almost over, "Fully."

Is that where you keep your hotplate??

A snack before lunch.

Who won?

"Oh, hockey is much better!"

Each year the junior class finds itself faced with several new responsibilities. Among these are: increased freedom, more important roles on the athletic field, and additional scholastic pressures. College admissions take a place of prominence in the mind of every member of the class.

This year's junior class met these responsibilities with maturity, and judiciousness. Scholastically, this class discovered the importance of concentrated study and hard work. Consistently among the foremost were Jon Shafmaster, Dave Hilgendorff, Bob Ingalls, Dave Caldwell, and Steve Witt. With increased significance placed on College Boards, the class of '63 made a determined effort to perform to the best of its ability. On the athletic field, the juniors made impressive contributions to every sport. Bob Cate, Dave Hilgendorff, Jeff Ellis, and Bob Segel will form the nucleus of next year's varsity football team. Other juniors who were of great value to their teams include "Moose" Stone, Ranny Langenbach, Bob Taylor, and Chad Smith. A great part of this year's athletic success was due to those members of the class of '63 who, although they did not win their letters, worked hard to help bring victory to the "Big Red."

This year's junior class has an added responsibility. Since next year is the bicentennial, this class will be viewed as representative of Governor Dummer. They must be prepared to step into the top echelon of the new student government. As leaders of the school they will step into a position which demands efficiency and maturity.

## SOPHOMORES

Perhaps the most important year at Governor Dummer is the sophomore year. A sophomore has already been inducted into life at the Academy. He is being introduced, however, to the assumption of responsibility for the first time. An integral part of the student government the sophomore begins to learn self-control.

This year's sophomore class was blessed both athletically and scholastically. The honor roll was frequently graced with names such as John O'Dea, Paul Freedburg, and Howie Foss. A major responsibility of the sophomore is to learn the meaning of hard work.

The athletic exploits of the class of '64 are well known by all. The "sophomore backfield" of Terry Golden, Tom Maier, Bob Wise, and Mike Kotarski gives promise of great things to come. The Varsity teams in the winter were fortunate to have Bill Poole, Roy Clark, and Robbie Sherman available. Mention must also be made of those sophomores who have not yet achieved varsity status but have performed well on a sub-varsity team.

The class of '64 proved itself capable of assuming the responsibility which is quickly becoming an important part of their life at Governor Dummer.

## FRESHMEN

Fred and Brewer relax.

... and those guys think I'm enjoying it.

You're floating.

Sure beats going to classes.

Doug recuperates in the infirmary.

Every September some forty-five to fifty new boys find themselves embarking on a most important phase of their scholastic careers. As freshmen at Governor Dummer, they are faced with many new changes and responsibilities. Many are forced to perform against better competition than they have ever faced before.

This year several freshmen distinguished themselves scholastically. Included in this group are Fred Evans, Bill Gromko, Anthony Knapp, Alan Chase and Brock Callen. These, and others, are conscious of developing their full academic potential.

On the athletic field, Scott Magrane, Tim Browne, Garry Leahey, John Mackenzie, Steve Rolfe, and others gained prominence. The class of '65 should make a tremendous contribution to Governor Dummer athletics in coming years.

This year's freshman class started off with a bang. Several learned that skipping breakfast isn't worth a cold walk to the post office so early in the morning. As the freshmen gained the maturity which is a part of life at Governor Dummer, they began to take an important part in the growth and development of the school.

The freshmen have made great strides in preparing themselves to meet the responsibilities of coming years.

## GLEE CLUB HAS POLISHED STYLE

The Governor Dummer Glee Club of 1961-62, proved to be one of the best in years. Due to constant practice and detailed rehearsals, larger audiences attended each concert, and an increased number of requests to perform at civic and social gatherings verified the Glee Club's popularity on the North Shore.

The first performance took place before friends of Governor Dummer in the Oval Room of the Sheraton Plaza Hotel in Boston on October 20 of last year. According to Deny Golden, the Glee Club's president, it was a

"stunning performance." The first joint concert was with the Walnut Hill School at Governor Dummer, and as far as Mr. Sager, the club's director, was concerned, "it was a tremendous success and a fine start for the year."

The Meistersingers have also contributed to the Glee Club's popularity. These eight boys have charmed audiences with songs like "George Jones," "Joshua" and "The Mosquito Song."

The Meistersingers harmonize around the piano.

They are Denis Golden, Steve Blair, Cy Hoover, John Tarbell, Ben Jameson, Tom Tobey, Ken Pouch, and Steve Witt. Special attention should be directed to Steve Blair who was the leader of the group, and also coordinator of the group's numbers.

This year's Glee Club added two new ideas to the realm of group singing at Governor Dummer. A new quartet from the junior class gained valuable experience singing together. Ted Cook, Steve Hughes, Don Stone, and Steve Witt emulated the tones of their older brothers, the Meistersingers, and displayed a special harmony of their own this past year. Also, plans were made for the Glee Club and Meistersingers to record their songs in the future.

Dennis Golden should be congratulated for the fine job he did as president. He was not only the spokesman for the Glee Club, welcoming friends and alumni at concerts, but also singer of most solo parts, thus contributing to the Glee Club's reputation.

Mr. Sager, the director, and Mr. Stone, the pianist, were essential to the success of the Glee Club. They were responsible for making this year's group a truly memorable Glee Club.

The Big Red charges against Milton

*BACK ROW:* Wise, J. Ellis, Kotarski, Faxon, Shafmaster, Davagian, McNally, Buck, Blair (*Manager*). *MIDDLE ROW:* Mr. Sperry (*Coach*), Culver, Hilgendorff, Segel, Maier, T. Golden, Cate, D. Golden, Mr. Anderson (*Coach*),

When this year's varsity football candidates had returned to school in the middle of September, coach Sperry wasted little time in beginning practice. Although the team's five returning lettermen were all linemen, the coaches were confident that the backs coming up from the lower football teams could fill the vacant positions. Led by Co-captains Pete Flaherty and Colin Studds, the team worked hard to get ready for its first game with St. Sebastian's Country Day School. Although the Governors' first opponent of the season had already played a game, the Red Team proved to be a tough opponent for the visiting Saints. But due to mistakes always present in a first game, the Governors were nosed out 12-6. After the coaches had carefully scrutinized the movies of this contest, much effort was made to correct the mistakes of the first game.

But in the second game with Browne and Nichols, the team still seemed to make mistakes. Plagued by fumbles, the Governors were unable to move the ball successfully and dropped this game 12-8. During the following week, the team worked hard to overcome the mistakes which

had been pointed out in the first two games. On November 11, the Big Red traveled to Providence, Rhode Island, to play a scrappy Moses Brown team. Determined to live up to their potential, the Governors played an excellent game. Sophomore back Tom Maier, ably assisted by center Tim McNally and tackle Ben Jameson, led the team scoring with three touchdowns. Quarterback John Shafmaster and left-end Bob Segel, both juniors, collaborated for the final touchdown, as the Governors took home a 28-0 victory.

Having regained their confidence, the team eagerly awaited their next foe, Milton, on Parent's Day. The Red men did not disappoint the partisan crowd. Sparked by an exceptionally strong defense led by Studs and Flaherty, and an effective offense with Jeff Ellis at the helm, the visitors were shut out 14-0. The next week the Red Eleven was entertained by Groton on their Parent's Day. After three scoreless quarters, the Big Red made a successful bid for the first score of the game, but Groton was on top 14-12 when the final gun sounded. The team had not shaken off its last defeat as it bowed to St. Mark's 20-0.

The Governors final game with Belmont Hill proved to be a hard fought contest. Fine performances by Bob Cate and Dave Hilgendorff on offense and Denis Golden and Burke Leahey on defense enabled the Big Red to tie a highly rated opponent.

Keep plugging, you're almost there

Better try the other side!

This year's record does not reflect the time and efforts put forth by the team and the coaching staff, Messrs. Sperry, Marr, Anderson and Linberg. The team is grateful to Mr. Sperry for his dedicated coaching in his last year as head of this department and sends best wishes to new Head Coach Anderson and Co-captains Bob Cate and Dave Hilgendorff for a successful season next fall.

Jebs winds up.

Strong throughout the entire season, this year's varsity soccer team amassed victory upon victory, attaining a record of nine wins, only two losses, and one tie. Each player had tremendous pride in the team and his own accomplishments which produced a tie for the league championship.

Preseason glimpses at the team showed great promise for a successful year. The reason was that there were seven returning lettermen, who were Steve Kasnet, Rick Knight, Ken Pouch, Jebs Selden, John Tarbell, Tom Tobey, and Andi Whittemore. Five of these were lettermen from the previous year.

As the season progressed, grinding out the victories proved to be "no problem" at all. The Tabor game was certainly the most thrilling game of the year. It kept the bench as well as the stands on their feet. Truly, this was the one game which highlighted the amazing ability of this team. Both teams shared the number of attempted goals with twenty-four each. The forward line constantly tormented the Tabor goalie with powerful drives. Time after time he thwarted attempts to score. Defeat seemed

certain as Gomez of Tabor, who had not missed a penalty kick in four years, stepped up to the ball. Fortunately the shot went over the goal, and a 0-0 deadlock followed. From that point, everyone knew the importance of winning the remainder of the games, for the team was tied with Tabor, and each victory became more precious.

If a most valuable player had to be selected, it could not have been done. A majority of the games produced a different outstanding player in each such as Bob MacLaughlin with his game saving goal in the Milton game. Many boys produced with amazing regularity in every game. In the forward line, Jebs Selden and Ken Pouch centering the ball from the outside; Tom Tobey, Bobby James, and Warren Steele unleashing powerful drives; Steve Kasnet consistently pressing the goalie; Rick Knight, Chas Ferris, Cy Hoover, and Stan Healy brilliant on defense as well as setting up offensive charges; John Tarbell and Peb Rock breaking up scoring threats of our opponents; and Rick Tongberg in the goal so often coming up with seemingly impossible saves. Because of this tremendous balance, Mr. Navins aptly awarded the M.V.P. award to the 1961 soccer team.

In the words of coaches Navins and Coolidge, to whom is extended a great deal of appreciation, "This was the team to watch."

*Coach, Mr. McLean, and Captain Pete Entwistle*

Cross Country running made its debut in Governor Dummer athletics this year. It was made possible by the arrival of ex-Harvard captain, Mr. McLean, who coached the new squad. Coached is somewhat of an understatement when the weekly workout was rarely under twenty miles, and hurricanes were minor obstacles. Under this treatment, the squad could not help but to get off to a fine start.

During the season, the team took part in five meets. This number will increase next year when we are firmly established. Our first victory against the Andover J.V.'s was followed by a series of close defeats against St. Paul's,

Exeter and Lawrence. The latter proved, as far as our times were concerned, to be the best of the season. Next year, with more experience, we should be able to match our opponents. In the Interscholastics, although we were unfortunate, we were anything but outclassed.

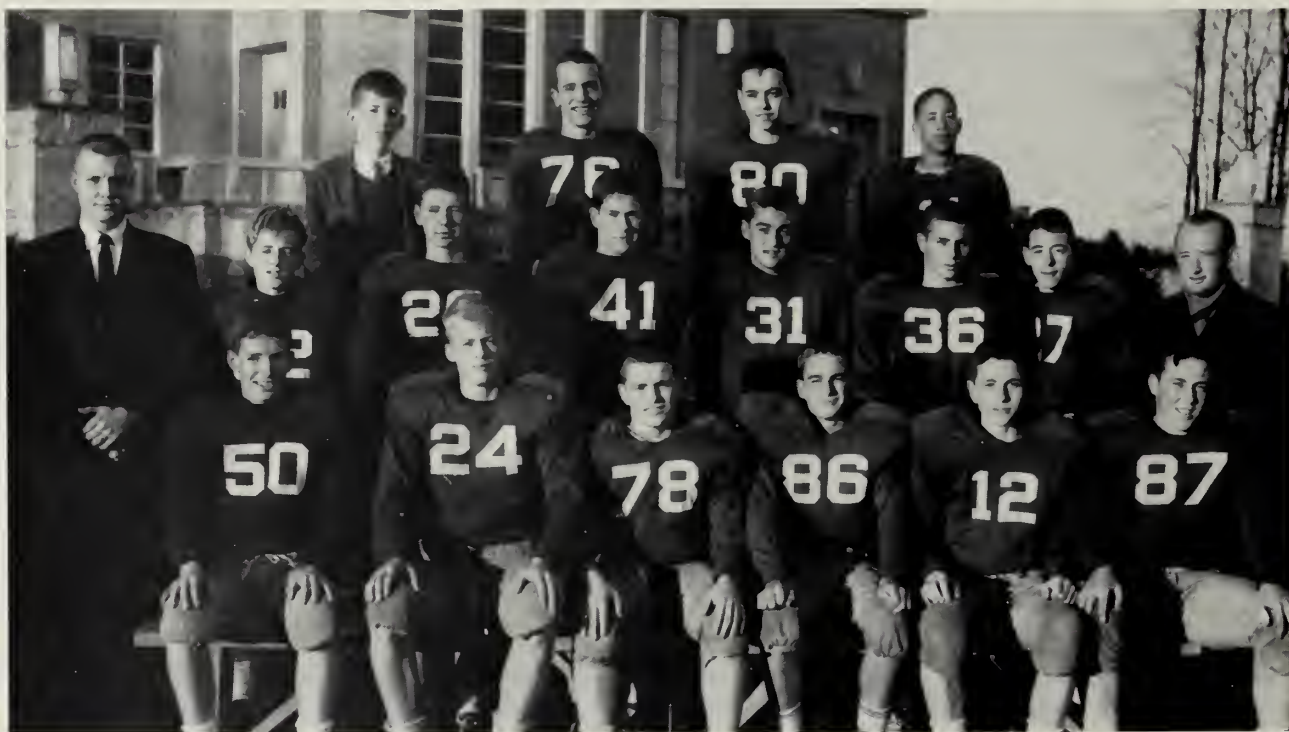

On the team, Ran Lagenbach, next year's captain, proved to be outstanding by taking first place in all events except in the Interscholastics where he had the misfortune of losing a shoe. Rob Michel and John Dorr, followed by Bill McPhee and Jack Fenn, proved to be consistent throughout, composing the team's senior backbone. John Macintyre and Peter Morrin should both be useful in the coming year, having gained valuable experience. Steve Rolfe, a high-performing freshman, showed promise of a good running future.

Continued interest in Cross Country, as well as the gained experience of this year's underclassmen, provide a favorable future for Mr. McLean's tigers.

## BASKETBALL TOPS LEAGUE

Tapoff, and we're off again.

With only one letterman returning from the '61 squad, the outlook for this year's varsity basketball team was none too bright. Yet under the leadership of Mr. Williams and Captain Pete Flaherty, the team experienced a very successful season. With an exceptional defense and outstanding scoring balance, the team tied for the league championship.

Losing only to co-champion Brooks by one point, the team compiled a record of 6 and 1 in league play. Standout games included a 63-41 win over St. Mark's and a 66-41 victory over a fired-up Milton club. Every member of the first six was capable of scoring in double figures in any given game. Sophomore Tom Maier was a consistently fine scorer and rebounder, featuring a 28 point output against tough Belmont High. Tom Tobey showed a good outside set shot; and, as the season progressed, he proved to be an excellent ball handler. Ball-hawk, Jeff Ellis, sparked the team on several different occasions with some fine shooting and all around heads-up play. Jeff led the team to victory over Milton with 18 points.

A great deal of the success of this year's team is due to the inspiration provided by Captain Pete Flaherty. A

steady rebounder and scorer, he came up with clutch baskets in key situations. Bob Segel and Ed Kleven provided the rebounding strength which is so important to the success of any team. Billy Poole was capable of coming into the ball game at any time and providing a much-needed lift.

Of paramount importance to the success of a team is the second club. Providing capable bench strength, the second club was also able to push the starters to the limit every day in practice. With Al Prescott, Don Connelly, Steve Witt, Cal Mackenzie and Rusty Navins all returning, the outlook for next year is bright.

This team was able to come up with key victories in quest of the league championship. Outstanding was the win over previously once beaten Middlesex. The performance of Bob Segel, in grabbing 20 rebounds and holding high scorer, Tom Garretson, to 10 points, was particularly outstanding.

The prospects for next year are excellent. Returning starters Jeff Ellis, Tom Maier and Bob Segel and the entire bench point towards another successful season in '63.

Once again Mr. Williams has taken what was considered to be an inexperienced group and has made them into a championship team. It is his uncanny ability to make a team put out at all times which is chiefly responsible for this year's amazing success.

The team was aptly rewarded for this success by being chosen as one of the two Massachusetts private schools to play in the Private School Tournament in Boston.

Durf, on his way to another victory.

The wrestling team has again returned to its status of being undefeated. The prospects for the '62 season were hopeful, with four men returning as veterans from the Interscholastics last year.

The successful season was primarily due to the good balance of the team. It is interesting to note that only one man went through the season with a completely unmarred record. The other members of the team all had impressive seasons, each man compiling a winning record. This fact, combined with the dedicated coaching of Mr. Evans and Mr. Marr, produced this fine result.

At 110, Bob Taylor produced another successful year, finishing with a 6-1 record. He was backed up by junior Carson Taylor, who pinned two opponents in this class. Newcomer, Dick Hawkins, proved to be a valuable asset to the team in the 115 lb. class. He came through with several needed victories against strong opponents, ending the year with five wins and two losses.

Veteran, "Tiger" Johnson, had another fine season at 121. In his third year on the varsity, he was one of the

most consistent wrestlers on the team; he amassed a 6-2 record.

Wrestling 127 was senior Jack Fenn. In his first full year of varsity competition, he did very well. Although he was occasionally out with injuries, he produced a 4-2 season.

Captain Durfee was undefeated throughout the year at 133. Not only did he crush all his opponents, but he also served as a fine leader. At 138, junior, Steve Hughes, did well as a new member of the team. Wrestling in seven matches, he came through with four wins.

Wrestling 147, Dave Hilgendorff totaled an impressive 5-1-1 record in a tough class.

"Moose" Stone's determination paid off in a very impressive 7-0-1 season at the 157 lb. class. He extended last year's streak to nine straight wins.

Seniors, John Tarbell and Burke Leahey, alternated at 167 and 177. These veterans wrestled exceptionally well the entire season. "Tarbs" was not to be pushed around; in fact he threw his opponents around with his dramatic "cut-back." Burke Leahey combined strength with speed in compiling a fine record.

In the unlimited class, Bob Cate piled up five wins in a class ruled by giants.

With seven returning lettermen from this year's team, Mr. Evans and Mr. Marr will have a strong nucleus for next year's team. Although part of the success this year was due to the team's deep enthusiasm, it was mainly due to the endless dedication which the coaches gave to the sport.

Get that man in front. Chris.

With the Frost rink in operation for the second year, the varsity hockey team combined team effort with improved skating to compile one of the best records in many years.

Led by their outstanding captain and goaltender, Steve Blair, this year's hockey team got off to a fast start by winning its first three games. One of the high points of the season came when Chris Ferris fired a rebound past the Middlesex goalie to tie up the game at the end of regulation time 1-1. Middlesex scored on a tiring Red team in overtime to hand them their second league defeat. A 4-0 win over Lawrence and a 5-0 victory over Moses Brown showed that the team had the strength that would be needed in the last two games against leaders Belmont Hill and St. Mark's.

The team, though playing very well, was overpowered by one of the strongest Belmont Hill teams in years. Facing a powerful St. Mark's team the next day, the team's chances against a club which had previously beaten Belmont Hill looked very grim. The tight back checking of the lines supported by the strong defense of Dave Lorenson and Colin Studds, however, provided a tight game.

Close one!

Pass it to Collie.

Don't let him get that shot off!

The potential of the team finally came out forcing St. Mark's to work hard for their last and league winning game.

Early in the season, it did not seem that the Big Red had the passing and shooting ability which is essential to any good hockey team. But by constant drills on fundamentals, coach Murphy brought out the fine play of which the team was capable. The first line of Andi Whittemore, Chris Ferris, and Warren Vaughn improved constantly throughout the year. Their ability was quite apparent in the Moses Brown game, as Warren scored two goals and Andi had one.

This line was ably backed up by Robbie Sherman, captain-elect Forbes Farmer, and Mark Petri on the second line. These boys will form a strong foundation for next year's team. The Senior line of Jim Everett, Bob Snyder, and Jebb Selden showed that they were not to be stopped either, as "Snicks" tallied the lone goal against St. Mark's.

Captain Steve Blair made many an opposing player shake his head by making save after save. Perhaps the most significant statement was made by the Middlesex coach when he said that Steve was the best goalie he had seen in the league in years.

All these boys, with the help of Mr. Murphy, provided a very successful season which added greatly to the prestige of Governor Dummer Hockey.

## WINTER TRACK HAS BALANCE AND STRENGTH

Deny Golden comes in close second to a Moses Brown runner.

*THIRD ROW:* Hague (*Manager*), Echavarria, Macintyre, Morrin, Barkin, Donaldson, Kaplan, McNally, Coffman (*Manager*). *SECOND ROW:* Mr. Sperry (*Coach*), Foss, P. Thomas, Michel, Dorr, Williams, Dent, Barr, Tongberg,

Mr. McLean (*Coach*), Mr. Fenn (*Coach*). *FIRST ROW:* D. Hamric, Eveleth, Entwistle, D. Golden. (*Captain*), Langenbach, T. Golden, Jameson.

Despite inclement weather and a lack of practice facilities, this year's Winter Track team had a truly remarkable season. Four school records were shattered, and the team competed extremely well against schools with far larger enrollments. This fine showing may be attributed to two basic factors: perseverance on the part of the coaching staff and hard work on the part of the competitors. Through the season Mr. Sperry and his assistants, Mr. McLean and Mr. Fenn, devoted long afternoons to helping boys improve their performances. Behind the excellent meet efforts of the team members were tedious hours of practice on the slippery road in sub-freezing temperatures. Boys engaged in running workouts were in constant peril from sadistic motorists and malicious canines while shot putters had to fend off the effect of frostbite.

Although many capable boys competed the credit for the team's enviable record lies largely with the nucleus of runners who turned in consistently good performances. The 45 yard high hurdles, the 50 yard dash, and the 300 yard dash were dominated by Sophomore speedster Terry Golden, who set school records in the hurdles and the 50. Terry demonstrated his versatility when in the first meet he scored more than triple the number of points scored by the entire Tabor team. Captain Denis Golden, whose spirit and drive set an example for all competitors, always could be counted on for a very fast 600. Close behind Denis in this event was Jeff Eveleth, also a valuable sprint man. Although Englishman Peter Entwistle never

attained the Herculean physique attributed to him by The Boston *Herald*, he did produce several excellent times in the 1000 yard run. Star miler Ranny Langenbach, whose long strides ate up distance effortlessly, continued his string of victories virtually unopposed. During the course of the season Ranny managed to lower the school record in his event twice.

The season's highlights came in the B.A.A. Games and the Interscholastics. On the third of February a mile relay team composed of Denis Golden, Jeff Eveleth, Terry Golden, and Pete Entwistle ran a close second to Huntingdon at Boston Garden. The team's time was 3:34.2, a new school record. Although all four boys ran extremely well, anchor man Denis Golden provided what was undoubtedly the season's most thrilling moment when he almost caught the Huntingdon man in the final leg.

The team's performance in the Interscholastics upheld Mr. Sperry's assertion that "This is the best balanced and strongest running winter track team I have ever coached." Ranny Langenbach's 4:42 mile and Terry Golden's 5.9 in the hurdles, both school records, highlighted the competition. In addition to these winning efforts, Governon Dummer captured three seconds, a tie for third, one fourth, and a tie for fifth. Although the meet was not scored, the Governors emerged as unofficial victors.

With so many victories to mention, one is likely to overlook the performances of boys who had not reached this peak. Seniors Rob Michel, Ben Jameson, and Darrel Hamric did very well toward the end of the season, and will doubtlessly continue to improve.

Measured both by individual and team efforts, this year's Winter Track season was a great success. The records set and victories won are fitting tribute to the much hard work on the part of the athletes and coaches.

## WRESTLERS CLASS A CHAMPS

A strong, balanced tide of Governor Dummer wrestlers swept the first annual New England Class A preparatory school wrestling tournament. Nine out of eleven Governors battled into the semi-finals, two of whom went on to attain highest honors as individual New England champions.

On March 10, in Alumni Gymnasium, Governor Dummer played host to the seven other schools which competed. The teams defeated by the Governors were Andover, Exeter, Choate, Tabor, Worcester Academy, Milton, and Mount Hernian. These schools were bettered by the Red Team, who earned the trophy awarded to the team compiling the highest number of points.

In the 115 lb. weight class, Bob Taylor wrestled effectively to secure the championship by defeating Peter Muller of Andover. At 133, Captain Howard Durfee easily snatched the championship by pinning his last two opponents. Mark Johnson at 121; Steve Hughs, who upset first-seated Van Brinkerhoff; Donald Stone at 152; John Tarbell at 177; each took second place in their respective weight classes. Carson Taylor took a third place at 110, while Burke Leahey and Dave Hilgendorff held down fourth place positions at 167 and 147, respectively. The total number of points compiled by the team was sixty, while the nearest competitor, Exeter, tallied forty-seven.

## LACROSSE TEAM HAS 9-1 SEASON

Goalie-Captain Tom Tobey starts to clear the ball against Lawrence Academy.

Once again fine coaching, heads-up play, and intensive pride have brought Governor Dummer an excellent Lacrosse team. The Governors compiled a 9-1 record, playing a schedule which was composed of seven larger schools.

The attackmen were Stan Healy, Jeff Ellis, Chris Ferris, and creaseman Frank Bond. Jeff Ellis ran his total point score for the season to an amazing fifty-three, with fifteen goals and thirty-eight assists. Stan Healy, the crease mainstay a year ago, rotated between the crease and feeder positions. Frank Bond's effective quick-stick brought the team many important goals. The first mid-field consisting of Dave Lorenson, Burke Leahey, and Bob Snyder played tirelessly. Although their positions are not glorious, they were indispensable to the success of the team. They were ably backed up by Bob Jones, Andi Whittemore, and Dave Higendorff. The third mid-field, Forbes Farmer in particular, came through in the clutch many times. Captain Tom Tobey, one of the finest goalies in New England, ran the veteran defense, consisting of creaseman Pete Flaherty, Colin Stidds, and Steve Blair. A standout substitute was Bob Cate. Colin and Steve did a fine job in controlling the opposing feeders, while Pete protected the crease. This year was Captain Tobey's third as varsity goalie, and he was the backbone of the team. In addition to his miraculous saves, Tom's speed and agility were a great aid to the defense.

The 1962 Lacrosse team had great potential, and they lived up to exactly what was expected of them. Against our earlier opponents, they won fairly easily; and the scores ran 16-1 over the M.I.T. Freshmen and 17-0 over the Tufts Freshmen. The Governors, however, were faced with more formidable opponents in Phillips

Andover and the New Hampshire Freshmen. Their 3-2 victory over a bigger and faster Andover team was the first since 1956 and was by far the outstanding game of the season. Both teams were playing their hardest, with Captain Tobey making many astounding saves in the closing minutes. Veteran attackman, Chris Ferris, fired the winning goal into the net in the last two minutes of the game.

Tabor Academy, a perennial strong rival, posed a threat to the team again this year. Down at the half, the Governors, paced by midfielder Bob James, came back, determined, to beat them 7-6. James scored five goals and played an excellent game. Again, Jeff Ellis's feeding, and Frank Bond's quick-stick combined for two goals, the last the winning goal, with forty seconds to go in the game. The defense put forth a sterling performance, not allowing the opposing attack to gain control of the ball for the remainder of the game.

This year's record of nine wins and one loss, that being to Class A Champions, Exeter, was a fine record, and one of which to be proud. The expert coaching of both Mr. Evans and Mr. Anderson was certainly appreciated, and it contributed a great deal to the success of the team. The returning lettermen, led by Captain-elect Jeff Ellis are looking forward to next Spring, and hopefully, to another winning season under coaches Evans and Anderson.

## BASEBALL TEAM HAS UPS AND DOWNS

Mike gets another hit against Brooks.

The Varsity Baseball team experienced a mediocre season this year. The team fluctuated between either of two extremes. Playing excellent ball, pitcher Bob MacLaughlin blanked Milton 4-0 in a three-hitter, backed by a team which performed well at the plate as well as in the field. The team, however, was able to do nothing right in the game against Middlesex, and the Governors were stopped 10-2.

Hard luck proved to be the stumbling block of the team this year. Three instances throughout the year show this point. One occurred during the battle with Noble & Greenough in which the Governors held a reasonably safe five-run lead going into the sixth inning. Nobles managed to tie with a five run rally, and they eventually squeezed out a victory, 7-6. The St. Mark's game was another heartbreaker. The Red team banged out a slim one-run lead after coming from behind, but St. Mark's rallied back, driving in two more runs to become victors. The St. Sebastian's game was another disappointing ball game. Bob MacLaughlin pitched an excellent game, but the Governors suffered a 2-1 loss because of the team's inability to produce at the plate.

The games that highlighted the season were the Milton victory and the exciting clash with Tabor. In the Tabor game the Governors cut down a three-run lead to become the ultimate victors with an excellent bunt by left-fielder Cy Hoover to score Mark Petri from third. Two of the outstanding men were the co-M.V.P.'s Mike Kotarski and Steve Kasnet. Mike, as Captain and center-fielder, produced the most runs of anyone on the team and effectively grabbed any ball that came his way. Mike's peg to the plate to nail Walsh of Belmont Hill was the most memorable of the year. At the plate Mike came through many times to score valuable runs. Steve

Kasnet, at third base, demonstrated excellent play on defense as was evident in his well-executed stab of a line drive in the St. Mark's game. He also led the team in batting and stolen bases. Ed Klevin, Tom Maier, Mark Petri, and Bob Segel often produced valuable hits, and all were extremely capable on defense. Chad Smith was the team's very able and enthusiastic catcher.

It is felt in coaches' circles that the scores of the season were not indicative of the ability of this team, and the many younger players look forward to confirming this opinion next year. Mr. Marr is leaving this year, and the Varsity Baseball Team joins in regret at the loss of a fine coach and teacher.

## TRACK TEAM UNDEFEATED

*Tarbs and Terry Golden run the hurdles.*

Led by the sterling performances of many individuals and united by a genuine team spirit, this year's spring track team was, in the words of Mr. Sperry, "the best ever." Outscoring their opponents by an average score of 71-48, the Governors went through a seven meet schedule undefeated.

The first dual meet against a strong M.I.T. freshman team foretold what lay ahead. Winning by a score of 66-51, the Governors showed great strength in both the field and running events. Featuring this meet were the 28 points scored by eventual Co-M. V.P.s, Terry Golden and John Tarbell.

After only two weeks of practice the Governors went to the Exeter Relays where they finished second only to an exceptional Exeter team. The Big Red won the mile relay in the school record time of 3:36 and finished second in seven other events.

By the time of the Moses Brown meet the team was ready to burst out in an awesome display of power and depth. Led by Tarbs' 6'1" high jump and Terry's 10.2 in the hundred, the Quackers were overrun 77-40.

After a week in which all but one day of practice was rained out, the most challenging meet loomed ahead. Before a large and enthusiastic Spring Dance crowd, the Governors unleashed their running strength to defeat Worcester 66½-55½.

Depth was the keynote of the Milton meet. The cinder-men defeated them 69¼-52¾ without the services of either *Co-Captain* Denny Golden and Jeff Eveleth. Clutch performances by Pete Entwistle and Ben Jameson pulled out the win and humbled the Milton team in front of a disappointed Alumni Day crowd.

The Governor trackmen eagerly awaited the Deering meet, since it was the only team to beat the Redmen last year. The Maine Class A Champs were downed 69 1/3-47 2/3. "Limey" Entwistle broke a twenty-six year old record with a fantastic 2:02.3 in the 880, and Ranny Langenbach broke his own school mile record for the third time with an amazing 4:31.2.

In the Prep meet at Andover we finished third in Class A to perennial powers Exeter and Andover. Had the Big Red run in Class B, they would have won by twenty points. Terry Golden who was the only double winner set a school record in the 120 highs and the 220 lows, the latter being also a Prep meet Record.

In the Hebron meet Robbie Sherman's 11' pole vault set the trend for a 76-46 victory. In this meet consistent Ben Jameson put the shot over 46', a personal best.

The Governors finished the season by fashioning a 78-44 victory over St. Paul's. Terry Golden broke his third school record in a week with a 19.8 timing in the 180 lows.

There are many factors to be considered in the success of any undefeated team. Inspirational leadership, expert coaching, and hard work all figured prominently in the over-all performance of this team. With *Co-Captains* Denny and Tarbes providing the inspiration and coaches Sperry, McLean, Fenn, and Parsons the instruction, the team developed a great potential. It was an intense pride, quiet self-confidence, and genuine desire for improvement that brought about a rapid development of this potential. Every member of this team will remember 1962 as the greatest year in G.D.A. track history!

## TENNIS TEAM SHOWS IMPROVEMENT

The 1962 tennis team was faced with many problems at the outset of the season. Perhaps the lack of an experienced coach was the major problem facing Co-Captains Ken Pouch and Jebb Selden and the rest of the team.

Although the outlook was not too bright, under the capable part-time tutelage of Mr. Josiah Welch, a team was fielded for the opening match against M.I.T. Besides the Co-Captains, Warren Steele, Paul Johnson, Peter Machinist and newcomers Dick Stockton and Steve Witt added depth to this year's team.

As Co-Captain Pouch put it, "The tennis team can't be optimistic about a good season, but if we work hard as we did at the latter part of the '61 season, the team will prove itself better than expected."

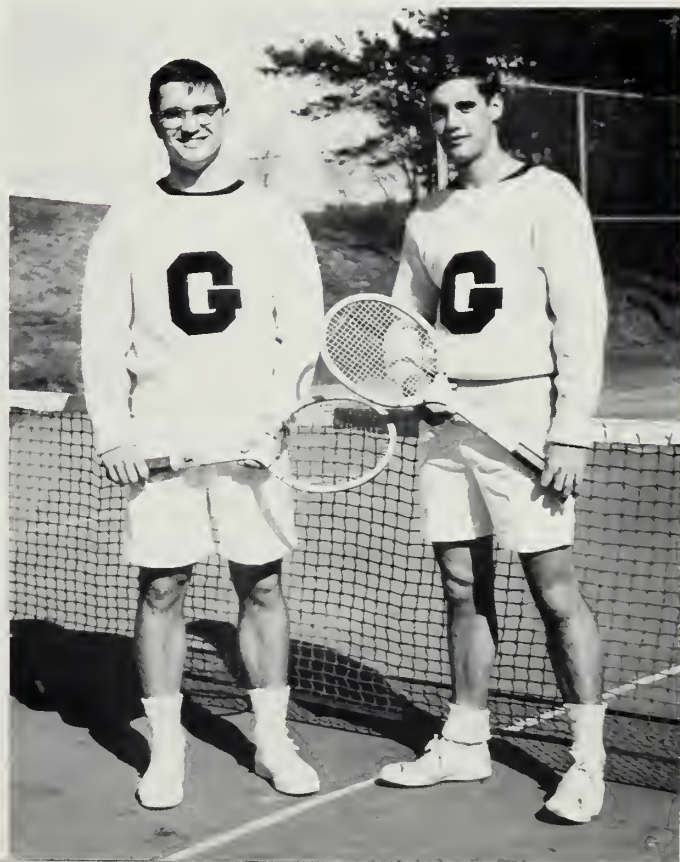

In the Andover match, Warren Steele and Warren Vaughan played excellently, winning 8-1, 6-0 and 6-4, 7-5 respectively. Vaughan and Johnson squeaked by in the doubles 10-8 and 6-4.

On May 12, the Governors travelled to St. Mark's where they were a decided underdog, yet only succumbed by a score of 10-8. Outstanding performers in this match were Jebb Selden, Ken Pouch and Warren Vaughan, all of whom won their singles matches.

The highlight of the season was a 14-4 victory over Brooks. For the first time in the season, everyone played well in both singles and doubles, gaining four wins and two splits in the singles.

In previous years, the tennis team had lacked depth. This year the team was composed of five veterans who played capably in each match, yet they were unable to combine good performances and as a result, they lost some close matches.

## GOLF TEAM MAKES LATE SEASON RALLY

*Co-Captains* Peb Rock and Rick Knight

In view of four returning lettermen and a few boys who had improved immensely since the '61 season, Mr. Clancy, the new golf coach, predicted a fine season. In their first match with Andover and Exeter, Co-Captains Peb Rock and Rick Knight led the Governor linksmen to a four stroke lead over their opponents. The following Wednesday, the Red team travelled to Watertown to face the M.I.T. Freshmen. The Governors were edged 2½-3. In their next match, the golf team faced their toughest opponent, the Harvard Freshmen. Peb Rock shot a 69, 3 under par, while teaming with Pete Buck to win the only points for the Governors in a 6-3 loss.

After a rainy loss to Exeter and Andover, the golf team changed along with the weather, and their potential began to show. In the next match against St. Sebastian's, Slater Smith and Jim Everett snagged three points to lead the Red team to a 3-0 victory. Co-Captain Elect Hal Hannon helped the Governors to a 9-0 victory against Lawrence with an improved game. The team closed the season with a fine 6½-2½ win over Haverhill High. Bill Huston and Co-Captain Elect Dick Tuxbury contributed a great deal to the team by supplying fierce competition in their weekly encounters for a position.

A great deal of the credit for the success of this year's team must go to Mr. Clancy whose enthusiasm and patience made it possible.

The Governor Dummer Chapter of the *Cum Laude* Society received its charter on February 10, 1934. The purpose of the society is to promote scholarship and to recognize scholastic achievement. In the secondary schools its function is, therefore, comparable to that of the Phi Beta Kappa Society in colleges.

The by-laws of the society state that to be eligible for election a student must maintain a minimum standing of eighty percent during his senior year and must stand in the upper fifth of his class. A three-fourths vote of the faculty members is necessary for election; and the members are pledged to consider each candidate's record during the earlier years of his secondary school work, his diligence, particular abilities and deficiencies, and the nature and the number of courses upon which his average is based.

The officers of the Class of 1963 lower the flag for the presentation during the Morse Flag ceremony.

#### HERITAGE

From the 199th Graduating Class  
That this bell may herald our message  
To all who follow.  
*Take up our quarrel with the foe*  
*To you from failing hands*  
*We throw the torch*  
*Be yours to hold it high.*

Mr. Wilkie speaks to the Seniors, students, faculty, and many guests during the awarding of the Morse Flag.

The Three Fifths, Steve Blair, Pete Buck, and Andi Whittemore provide lively entertainment Friday morning.

Mr. Wilkie presents the Morse Flag to Andi Whittemore.

#### *Morse Flag*

The Morse Flag was first awarded at the 150th Commencement of this school on June 9, 1913, and it has been awarded each year since that time to the senior whose record in all respects has met with the highest approval of the faculty. According to the trust established by the late Reverend Glenn Tilley Morse, long-time friend and trustee of the Academy, a new flag is provided each year in order that the old flag which has flown during the past year may be given to a member of the graduating class. This year the Morse Flag is awarded to *Anthony Dunster Whittemore* of Cohasset.

Each year the faculty is faced with an almost impossible task in singling out one senior who most nearly represents that combination of qualities cherished by the Academy. These qualities include a concern for others, a lively sense of responsibility, personal commitment to work and play, and a keen interest in academic pursuits.

Andi Whittemore has been a good student and athlete. He has always lived by a strong personal code of loyalty and integrity. But of the greatest importance has been his total commitment to his duties as head of our student government. In this position he has been unstinting of his time and energy, always ready to tackle any problem, concerned about his fellow students and about the school. Through his leadership he has helped to give our new form of student government its vitality and its initial success.

#### *Bausch and Lomb Medal*

The Bausch and Lomb award goes to that student who, in the estimation of the faculty, has been most outstanding in the study of science. I am very pleased to award the Bausch and Lomb Medal to one of the leading scholars in the senior class, *Robert Marshall Orcutt* of Rowley.

#### *Goodwin Athletic Prize*

The Goodwin Athletic Prize, established by Mr. Fred H. Goodwin of the Class of 1916, and a trustee of the Academy from 1920 to 1949, is given to the senior who, by athletic achievement and sportsmanship, has brought the greatest honor to his school during the past year.

This year's winner has been an outstanding co-captain of the varsity soccer and track and a member of the varsity wrestling team. He has been a leader on the athletic field and off, a fine team player, and a clutch performer. I take great pleasure in presenting the Goodwin Athletic Prize to *John Weatherbee Tarbell, Jr.* of Bridgewater.

#### *Ingham Fund Scholarships*

The Ingham Fund Scholarship was established through the generosity of the family of the late Dr. Charles S. Ingham, former headmaster of Governor Dummer Academy, in honor of his father, the late Samuel Kellogg Ingham of Saybrook, Connecticut, to help an industrious and able boy work his way through school. This year we are dividing the scholarship between two such deserving boys. Grants of \$350 each go to *Howard Wallace Foss, Jr.* of Medford and *Leonard William Kaplan* of Revere.

#### *Francis Scholarship*

The Richard Hawes Scholarship was established by Mr. and Mrs. Clarence Francis in June 1941 in memory of their son, Richard Hawes Francis of the Class of 1936. The scholarship of \$100 is awarded each year to an underclassman of high character who has made substantial intellectual progress and who has demonstrated a spirit of cooperation and helpfulness during his school life. It is my pleasure to award the Francis Scholarship to a young man who has lived up in every way to the ideals set forth by Mr. and Mrs. Francis: *Donald Neil Stone* of Holyoke.

The Meistersingers harmonize during the Commencement Concert in Lang Gymnasium.

Chad Smith awaits the throw to home.

The pre-Commencement Day crowd watches the action.

#### *Cummings Prize*

The Cummings Prize was established by the family and friends of the late Fred T. Cummings of Troy, New Hampshire. It is awarded annually to a boy who has shown perseverance, hard work, and good spirit in overcoming obstacles and disappointments.

It requires courage and strength for any person, but particularly for a young person, to continue putting forth his maximum effort in all areas of his life when the normal measures of success seem to elude him. The winner of the Cummings Prize has been just such a young man and during this final year at the Academy his efforts have been well rewarded. *Joseph Barr Selden* of Washington, D.C.

#### *Gaffney Prize*

The Gaffney Prize, established in memory of Robert A. Gaffney of the Class of 1940, is awarded to that senior who, in the opinion of his teachers, has been most considerate of the rights, opinions, and sensibilities of others.

A good student, fine athlete, effective senior proctor, this young man has also shown an unusual concern for the well being of his fellows. Governor Dummer has been a better and happier place for his presence. *David Arthur Lorenson* of Marmora, Ontario, Canada.

#### *Harvard Book Prize*

(Awarded by Lisenard B. Phister, Secretary of the Board of Trustees)

The Harvard Book Prize is awarded to that member of the junior class deemed most worthy through high scholarship and character. It is my pleasure to award the Harvard Book Prize to *Jonathan Scott Shafmaster* of Haverhill.

#### *Special Prizes*

Again this year Mr. Milton L. Dodge of Newburyport has made possible the award of special prizes to a group of seniors whose perseverance, courage, initiative, or sense of responsibility has been a source of strength to the Academy.

Kas and Tobes congratulate each other before the procession.

Mr. Wilkie wishes all a pleasant summer.

The Seniors file from behind Commons to the Mansion House lawn for the Commencement exercises on Saturday morning.

Mr. Wilkie, Mr. Harris, and four of the Board of Trustees sing one of the hymns at the exercises.

Dr. Harrison of the Massachusetts Institute of Technology addresses the Senior Class about

The first Special Prize is awarded to a senior who has carried large responsibilities in many areas of school life. A fine student, vice president of his class, editor of the Milestone, a three-sport athlete, a dormitory proctor, he has contributed heavily indeed to the success of this school year. *Thomas Burke Leahey* of Lowell.

The next two winners I would handle as a team because their roles in the school have been so similar. Starting with modest athletic ability, both have developed such prowess that they have made valuable contributions to four different varsity teams. Both have gone out of their way to accept more than their share of responsibility on their corridors, in activities, in the classroom, and on the field. I take great pleasure in presenting special prizes to *John Sarkes Davagian, II* of Belmont and *Stanton Thomas Healy* of Worcester.

The fourth Special Prize goes to a young man who has proven the old adage about good things in small packages. Probably the lightest football linebacker anywhere, he was also one of the best. Resourceful and energetic on the dance committees, a musician of real ability, a member of the Milestone Board he has been an enthusiast in all he has done. *Peter James Buck* of Bethlehem, Pennsylvania.

In the academic world as in any other segment of society, it is a pleasure to find a person who is willing to work hard for self-improvement but who at the same time is thoroughly unselfish and willing to give of himself to his community. This year's senior class boasts just such a young man: *Edward Stanley Kleven* of Haverhill.

The sixth Special Prize is awarded to another senior who has earned the admiration of all by making maximum use of his abilities. Small in stature, he has nonetheless been a bulwark on the soccer, basketball, and lacrosse teams. In addition,

he has worked to capacity in the classroom and in his other activities. In a very real sense he has made a great contribution to the Academy. *Thomas Stagg Tobey* of Ridgewood, New Jersey.

Every organization, every team, needs a few people who can and do carry more than their share of the load. This year one senior has been characterized as the man-and-a-half on three different varsity teams. Co-Captain of football, an outstanding defenseman in hockey and lacrosse, he has been a major factor in our highly successful athletic year: *Colin Auld Studds, 3rd* of Cohasset.

#### *Barriskill Prize*

"The James M. Barriskill Prize, established in 1960 by the students of the Academy in memory of Mr. Barriskill of the faculty, is awarded annually to that member of the senior class who has made an outstanding contribution in the field of music at the Academy.

This year's winner has been a tower of strength in many areas of school life. He has been a fine leader possessing vigor, determination, and a willingness to stand up for his own convictions. A member of the Glee Club, of the Meistersingers, of the school orchestra, and of the 3/5ths, he has played a major role in bringing more and better music to our campus. *Stephen Wilkens Blair* of Winchester.

#### *Academy Prize*

"For many years the Academy Prize was maintained by the mother of Headmaster Emeritus Edward W. Eames. In June 1959 the underclassmen of the Academy endowed this prize so that henceforth at each Commencement it could be given 'in honor of Edward W. and Eleanor K. Eames so that the qualities they so

their place in life.

deeply prized might be prized in turn by future and succeeding classes.' is awarded to that senior boy who by his unselfishness and sportsmanship has best exemplified the spirit of the school.

When the wording of this prize was drawn up I suspect the authors really had this year's winner in mind. It would be hard to imagine a young man who was more unselfish, more concerned about helping other people, more devoted to his community, more enthusiastic in all his activities. Also a fine leader in athletics and a true sportsman, he is the epitome of the Academy Prize winner. It is my great pleasure to present the Academy Prize to *Denis Edward Golden* of Winchester.

#### *Moody Kent Prizes*

"The Moody Kent Prizes are given annually to those students throughout the school who have achieved outstanding records in various academic departments. No more than one Moody Kent Prize may be awarded to the same boy.

The Moody Kent Prize for the highest standing in English is awarded to *Stephen Roger Barkin* of Manchester, New Hampshire.

The Prize for the highest standing in French is awarded to *Robert Marshall Orcutt* of Rowley.

The Moody Kent Prize for the highest standing in Spanish is awarded to *Albert Clifford Rock* of Longmeadow.

The Prize for the highest standing in Latin is awarded to *Paul Stephen Freed-Itberg* of Salem.

The Moody Kent Prize for the highest standing in German is awarded to *Jonathan Scott Shafmaster* of Haverhill.

The Prize for the highest standing in History is awarded to *Peter Bruce Machinist* of Manchester, New Hampshire.

The Moody Kent Prize for the highest standing in Science is awarded to *George Albert Randall, Jr.*

The Prize for the highest standing in Mathematics is

awarded to *John Hall Dorr* of Lancaster.

#### *Colman Scholarship*

The Edmund Coffin Colman Scholarship, established by the late Elizabeth S. Tappan, is awarded to a student of the highest grades in languages. This year's grant of \$625 is awarded to: *Robert Douglas McGilvray* of Wakefield.

#### *Ambrose Prize Speaking Awards*

"Ambrose Prize Speaking awards go to the three outstanding young orators in the senior class. All seniors have enjoyed the benefits of Mr. Sager's classes, and many have addressed various groups in our area. In an age when com-

munication is so important, this training becomes even more significant. Two of the three winners demonstrated so well last night the calibre of their thought and presentation.

The first prize of \$25 is awarded to *Stephen Roger Barkin* of Manchester, New Hampshire.

The second prize of \$15 is awarded to *John Weatherbee Tarbell, Jr.* of Bridgewater.

The third prize of \$10 is awarded to *Thomas Burke Leahey* of Lowell.

#### *Thorndike Hilton Cup*

The Thorndike Hilton Cup was established by the Class of 1919 in memory of their classmate, Thorndike Hilton. It is awarded each year to the ranking scholar in the senior class. With the cup also goes a medal provided by the late Miss Margaret Cushing of Newburyport, long a close friend and neighbor of the Academy. At the outset I mentioned the academic strength of this year's class. In such competition, to become the top ranking scholar one must combine ability, genuine intellectual interest, and determination. The winner this year possesses all those qualities, but he also has a broad range of interests which have made him a strong contributor to the school in non-academic areas as well. It gives me great pleasure to present the Thorndike Hilton Cup to *Peter Bruce Machinist* of Manchester, New Hampshire.

The Senior Class moves toward the Milestone singing the Senior Song at the end of the exercises.

The graduated Seniors run toward the Phillips Building, not especially caring about Mrs. Wilkie's rose bushes.

*N*obody knows how many  
hundreds of thousands of people will  
dine tonight with TOWLE Sterling — but the  
actual number would be startling. For  
in the two-and-a-half centuries that beautiful  
silver has been made in Newburyport, the  
demand for its patterns has moved steadily  
upward. Craft traditions reaching back  
almost to the Pilgrims are part of the  
reason for TOWLE progress, but probably  
the chief reason is a certain soundness  
of design — patterns that wear well  
— that wear so well, in fact, that they  
become at once a proud possession and  
a beloved part of family life.
